REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS

To the Board of Directors Associated Black Charities, Inc.

Report on the Financial Statements

We have audited the accompanying statements of financial position of Associated Black Charities, Inc. (the Organization) as of December 31, 2018 and 2017, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of December 31, 2018 and 2017, and the changes in its net assets, and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audits were conducted for the purpose of forming an opinion on the basic financial statements as a whole. The accompanying schedule of expenditures of Federal awards is presented for purposes of additional analysis as required by the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of Federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 26, 2019, on our consideration of the Organization's internal controls over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal controls over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal controls over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal controls over financial reporting and compliance.

Owings Mills, Maryland September 26, 2019

The accompanying notes are an integral part of these financial statements.

Notes to the Financial Statements December 31, 2018 and 2017

1. BACKGROUND OF THE ORGANIZATION

Associated Black Charities, Inc. (the Organization) is a nonprofit organization incorporated under the laws of the State of Maryland in August 1985, and subsequently commenced operations on January 1, 1986. It is a catalyst for community development and problem solving. The Organization's mission is to represent and respond to those issues and concerns which are of special significance to the African American community. The Organization accepts a major role for raising and allocating funds, acting as a coordinating body for the delivery of health and human services, and fostering the involvement and leadership of African Americans in various aspects of policy-making and resource development.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Organization are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value of Financial Instruments

Financial instruments consist of cash and cash equivalents, investments, receivables and payables. The carrying value of the Organization's financial instruments in the accompanying statement of financial position approximated their respective estimated fair values as of December 31, 2018 and 2017. Fair values are estimated based on current market rates, prices or liquidation value.

Cash and Cash Equivalents

Cash and cash equivalents include amounts invested in highly liquid investments with original maturities of three months or less. Cash equivalents consisted of money market funds as of December 31, 2018 and 2017.

Notes to the Financial Statements December 31, 2018 and 2017

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Grants Receivable

The Organization receives grants from various entities and records amounts due as a receivable when earned. As of December 31, 2018 and 2017, the majority of the receivables relate to amounts owed by the Baltimore City Health Department under the HIV Emergency Relief Grant Program – Ryan White (the Grantor) for invoices submitted and not paid.

Estimated losses are based on historical collection experience and the review of the current status of existing grants receivable. Based on this assessment, a reserve for estimated losses of \$64,599 and \$4,755 was recorded as of December 31, 2018 and 2017, respectively.

Loans and Note Receivable, Net

The Organization has a revolving loan program which provides resources focused on enhancing human capital through the development of economic opportunities. The outstanding loans were a part of the transfer of assets from Empower Baltimore Management Corporation (EBMC) that occurred during the fiscal year ended December 31, 2013. The outstanding balances on the loans and notes, net of uncollectable allowance as of December 31, 2018 and 2017, were \$477,001 and \$649,961, respectively. The Organization has recorded these outstanding loans as an asset and recognized a related liability. The related liability represents deferred revenue for net outstanding loans plus cash on hand from this program. Loans are stated at the amount of unpaid principal adjusted for any write-offs and reserves for estimated uncollectible loans.

Once the funds are collected, the proceeds will be used by the Organization to promote workforce development programs and cover operating expenses. The amounts spent will be recognized as other income and the deferred revenue will be reduced.

The allowance for loan losses is established through a provision for loan losses when management believes that repayment of the principal is unlikely. The allowance is an amount that management believes will be adequate to absorb estimated losses on existing loans that may be uncollectible as of year-end, based on current factors and prior loan loss experience. As of December 31, 2018 and 2017, there were \$173,487, in non-performing loans, with interest rates ranging from 4% to 5% with various maturities through December 2018. Management has not accrued interest on these loans in the accompanying financial statements.

Notes to the Financial Statements December 31, 2018 and 2017

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Loans and Note Receivable, Net (continued)

While management uses the best information available to make its evaluation, future adjustments to the allowance may be necessary if there are significant changes in the factors considered, such as the economic condition of the borrower or certain related industry concentrations. As of December 31, 2018 and 2017, an allowance for loan losses was recorded in the amount of \$405,766 and \$266,632.

Fair Value Measurements

Accounting principles generally accepted in the United States of America establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under accounting principles generally accepted in the United States of America are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the entity has the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability; and
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Notes to the Financial Statements December 31, 2018 and 2017

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Property and Equipment

Property and equipment in excess of \$500 and an estimated useful life of more than a year, are capitalized and recorded at cost if purchased, or estimated fair market value as of the date of gift, if donated. The carrying value of property and equipment is depreciated over the estimated useful lives of the related assets using the straight-line depreciation method. Expenditures for major repairs and maintenance costs are capitalized; expenditures for minor repairs and maintenance costs are expensed when incurred.

Managed Funds Payable

Managed funds payable represent a liability for funds received for the purpose of providing scholarships and donations on behalf of the donor. These funds are recorded as a liability as the Organization does not determine how the funds are used. The asset related to this liability is included in assets whose use is limited in the accompanying statements of financial position.

Net Assets

Net assets without donor restrictions are assets and contributions that are not restricted by donors or for which restrictions have expired. It also represents the portion of expendable funds that are available for support of the Organization's operations.

Net assets with donor restrictions are those whose use by the Organization has been restricted by donors primarily for a specific time period or purpose. When a donor restriction is met, with donor restriction net assets are reclassified to net assets without donor restrictions. If a donor restriction is met in the same reporting period in which the contribution is received, the contribution (to the extent that the restrictions have been met) is reported as without donor restriction net assets. As of December 31, 2018 and 2017, net assets with donor restrictions were available for community services programs in the amount of \$1,463,454 and \$310,401, respectively.

Restricted and Unrestricted Revenue and Support

Contributions received are recorded as without donor restrictions, or with donor restrictions support, depending on the existence and/or nature of any donor imposed restrictions. Donor-restricted support is reported as an increase in with donor restrictions net assets, depending on the nature of the restriction.

Notes to the Financial Statements December 31, 2018 and 2017

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Gifts of cash and other assets are reported as with donor restrictions support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when some stipulated time restriction ends or purpose of the restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the accompanying statements of activities and changes in net assets as net assets released from restrictions.

The Organization has grants from the Grantor to provide pass-through funding to providers for services under the HIV Emergency Relief Grant Program – Ryan White. Revenue is recognized when the Organization receives invoices from the providers for their services plus allowable indirect costs. Revenue recognized on the grants for which funds have not been received from the Grantor are reflected as grants receivable in the accompanying statements of financial position.

The Organization also has a grant from the City of Baltimore to establish the Baltimore City Children and Youth Fund, to be used exclusively for purposes of establishing new and augmenting existing programs for and services to the children and youth of the City of Baltimore. Revenue is recognized and reported as with donor restrictions when the cash is received. When a grant is awarded to a grantee, revenue is reclassified to without donor restrictions and reported in the accompanying statements of activities and changes in net assets as net assets released from restrictions.

Functional Allocation of Expenses

The costs of providing the various programs and supporting services have been summarized on a functional basis in the statements of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services that benefit from those costs. Management and general expenses include those expenses that are not directly identified with any other specific function, but provide for the overall support and direction of the Organization. All direct costs are charged to the specific program or event. Salaries and related expenses are allocated by time and effort. Indirect costs are allocated based upon the related salary allocation to each category.

Tax Status

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

The provisions included in accounting principles generally accepted in the United States of America provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribe a threshold of "more likely than not" for recognition of tax positions taken or expected to be taken in a tax return.

Notes to the Financial Statements December 31, 2018 and 2017

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Tax Status (continued)

The Organization performed an evaluation of uncertain tax positions as of December 31, 2018, and determined that there were no matters that would require recognition in the financial statements, or which may have any effect on its tax-exempt status.

As of December 31, 2018, the statute of limitations for fiscal years 2015 through 2018 remains open with the U.S. Federal jurisdiction or the various states and local jurisdictions in which the Organization files tax returns. It is the Organization's policy to recognize interest and/or penalties related to uncertain tax positions, if any, in income tax expense.

Accounting Pronouncements Implemented

In August 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities* (ASU 2016-14). These amendments change presentation and disclosure requirements for not-for-profit entities to provide more relevant information about their resources (and the changes in those resources) to donors, grantors, creditors, and other users. These include qualitative and quantitative requirements in the following areas: net asset classes, investment returns, expenses, liquidity and availability of resources, and presentation of operating cash flows. The Organization adopted this ASU for the year ended December 31, 2018. Due to the adoption of this standard, the presentation of these financial statements and footnotes were updated accordingly.

Recent Accounting Pronouncements

In February 2016, the FASB issued ASU No. 2016-02, *Leases*, which creates a singular reporting model for leases. This standard will require the Organization to record changes to its consolidated statement of financial position to reflect balances for current leases that are not shown in the consolidated statement of financial position. This standard will be effective for periods beginning after December 15, 2019.

In June 2016, FASB issued ASU No. 2016-13, *Financial Instruments* —*Credit Losses: Measurement of Credit Losses on Financial Instruments,* that provides updated guidance on the measurement of all expected credit losses for financial assets held at the reporting date based on historical experience, current conditions, and reasonable and supportable forecasts. This standard is effective for fiscal years beginning after December 15, 2020.

Notes to the Financial Statements December 31, 2018 and 2017

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Recent Accounting Pronouncements (continued)

In September 2017, the FASB issued ASU No. 2017-13, *Revenue Recognition (Topic 605)*, *Revenue from Contracts with Customers (Topic 606)*. The recognition of revenue when a customer obtains control of promised goods or services in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or service. These standards are effective when the related previous amended standards become effective.

In June 2018, the FASB issued ASU No. 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*, which improves the scope and accounting guidance around contributions of cash and other assets received and made by not-for-profit organizations and business enterprises. This standard is effective for periods beginning after December 15, 2019.

Management is evaluating the effects of these pronouncements on the financial statements and will implement these pronouncements by their effective dates. Management does not believe the adoption of these pronouncements will have a material effect on the financial statements.

Subsequent Events

The Organization evaluated the subsequent events and transactions through September 26, 2019, the date these financial statements were available for issue and have determined that no material subsequent events have occurred that would affect the information presented in the accompanying financial statements or require additional disclosure.

3. INVESTMENTS

The following is a description of the valuation methodology used for investments measured at fair value.

Equity funds are investments in mutual funds, which are valued based on the closing price on the primary market. Fixed income funds are investments in mutual funds and commingled funds invested in fixed income instruments. The underlying fixed investments are principally U.S. Treasuries, corporate bonds, commercial paper, and mortgage-backed securities. The mutual funds are valued based on the closing price on the primary market.

Notes to the Financial Statements December 31, 2018 and 2017

3. INVESTMENTS (continued)

The following tables set forth by level, the fair value hierarchy of the Organization's investments at fair value as of December 31, 2018 and 2017:

	As of December 31, 2018									
]	Level 1	Lev	vel 2	Lev	rel 3		Total		
Mutual Funds										
Fixed income	\$	59,652	\$	-	\$	-	\$	59,652		
Equities		121,113				_		121,113		
Total	\$	180,765	\$	-	\$	-	\$	180,765		
	As of December 31, 2017									
]	Level 1	Lev	vel 2	Lev	rel 3		Total		
Mutual Funds										
Fixed income	\$	68,571	\$	-	\$	-	\$	68,571		
Equities		119,758						119,758		
Total	\$	188,329	\$	-	\$	-	\$	188,329		

For the years ended December 31, 2018 and 2017, investment income consisted of the following:

	 2018	 2017
Reinvested dividend income	\$ 11,479	\$ 9,836
Unrealized loss on investments	 (20,383)	 (439)
Total investment income, net	\$ (8,904)	\$ 9,397

4. PROPERTY AND EQUIPMENT

Property and equipment as of December 31, 2018 and 2017, consisted of the following:

	2018			2017	Useful Life
Property and equipment	\$ 167,091		\$	135,382	5-40 years
Software		1,990		22,373	5 years
Total		169,081		157,755	
Less: accumulated depreciation		107,618		144,411	
Property and Equipment, Net	\$	61,463	\$	13,344	

Depreciation expense for the years ended December 31, 2018 and 2017, was \$10,365 and \$8,791, respectively.

Notes to the Financial Statements December 31, 2018 and 2017

5. NET ASSETS WITH DONOR RESTRICTIONS

With donor restrictions net assets as of December 31, 2018 and 2017, were available for the following purposes:

	2018	2017
The Children and Youth Grant	\$ 926,964	\$ -
Annie E Casey Grant	217,160	71,151
EARN MD Program Grant	76,196	-
United Way of Central Maryland	62,500	62,500
Goldseker Foundation	61,750	12,250
BGE Corporation Grant	50,000	100,000
Bank of America	30,000	-
Other	23,884	44,000
Comcast	 15,000	 20,500
Total	\$ 1,463,454	\$ 310,401

6. LIQUIDITY AND AVAILABILITY

The Organization receives contributions from donors which may or may not be restricted for specific purposes. Financial assets of the Organization are primarily comprised of cash and grants receivable from donors. The Organization structures its financial assets to be available as general expenditure liabilities and other obligations come due.

To achieve this, the Organization forecasts its future cash flows and monitors its liquidity on a monthly basis. Management and the Board have been monitoring the Organization's cash balances to ensure that there is at least 3 months of working capital available throughout the year.

Notes to the Financial Statements December 31, 2018 and 2017

6. LIQUIDITY AND AVAILABILITY (continued)

The following table summarizes the Organization's financial assets available, that is without donor or other restrictions limiting their use, for grant obligations and general expenditure within one year of the balance sheet date:

Cash and cash equivalents	\$ 3,144,997
Investments	180,765
Assets whose use is limited	110,553
Grants receivable, net	2,647,684
Loans and note receivable, net	477,001
Available financial assets	6,561,000
Less financial assets unavailable for expenditures: Assets whose use is limited Loans and note receivable not expected to be received	110,553
within one year	477,001
Restricted by donor with time or purpose restrictions	1,463,454
Financial assets unavailable for expenditure	 2,051,008
Net available financial assets	\$ 4,509,992

7. CONCENTRATION OF RISK

The Organization's primary revenue source is a Federal grant. For the years ended December 31, 2018 and 2017, the Organization earned \$14,560,550 and \$14,531,177, respectively, from the Grantor, which was 68% and 86%, respectively, of total revenue and support. A reduction in funding level could have a significant impact on the Organization. The Organization's grant from the government provides pass-through funding to providers for services under the HIV Emergency Relief Grant Program – Ryan White. Most grants and cost-reimbursable contracts specify the types of expenditures for which the grant or contract funds may be used.

The Organization also earned \$4,794,261 from the City of Baltimore for the year ended December 31, 2018, to administer the Baltimore Children and Youth Fund, of which \$4,625,807 was distributed to third parties and \$169,000 was retained by the Organization as management fee revenue.

Certain expenses of these funds are subject to audit by the Grantor, and to the extent an audit determines any expenses were disallowed, the amount is subject to refund to the Grantor. Management does not believe any refund, if required as of December 31, 2018 and 2017, would be material to the financial statements as a whole.

Notes to the Financial Statements December 31, 2018 and 2017

8. RETIREMENT SAVINGS PLANS

The Thrift Plan is qualified under section 403(b) of the Internal Revenue Code. Employees are eligible to participate after completing one year of service and they must be at least 21 years of age. Total contributions for the years ended December 31, 2018 and 2017, were approximately \$14,480 and \$14,896, respectively.

9. OPERATING LEASES

On May 11, 2018, the Organization entered into a 6-year and 6-month operating lease for office space for its corporate offices in Baltimore which expires December 31, 2024. The base rent is \$9,210 per month, with a 3% escalation clause each year.

Future minimum payments under the leases, as of December 31, 2018, were as follows:

Years Ending December 31,	A	Amount	
2019	\$	112,176	
2020		115,542	
2021		119,010	
2022		122,580	
2023		126,258	
Thereafter		130,044	
Total	\$	725,610	

Rent expense for the years ended December 31, 2018 and 2017 were \$80,015 and \$84,346, respectively.

SUPPLEMENTARY INFORMATION

REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors Associated Black Charities, Inc.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Associated Black Charities, Inc. (the Organization), which comprise the statement of financial position as of December 31, 2018, and the related statement of activities and changes in net assets, functional expense and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 26, 2019.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance, and the result of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Owings Mills, MD September 26, 2019

SB + Company, IfC

REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH THE UNIFORM GUIDANCE

To the Board of Directors Associated Black Charities, Inc.

Report on Compliance for Each Major Federal Program

We have audited Associated Black Charities, Inc.'s (the Organization) compliance with the types of compliance requirements disclosed in the U.S. Office of Management and Budget (OMB) Compliance Supplement that could have a direct and material effect on each of the Organization's major Federal programs for the year ended December 31, 2018. The Organization's major Federal program is identified in the summary of independent public accountants' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with Federal statutes, regulations, and the terms and conditions of its Federal awards applicable to its Federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major Federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major Federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major Federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major Federal programs for the year ended December 31, 2018.

Report on Internal Control over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major Federal program as a basis for designing auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major Federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct noncompliance with a type of compliance requirement of a Federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a Federal program will not be prevented, or detected and corrected on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency or a combination of deficiencies is a deficiency, or a combination of material program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Schedule of Expenditures of Federal Awards For the Year Ended December 31, 2018

Federal Department / Grant Program	Federal CFDA Number	Pass-through Entity Identification Number	Amount Passed Through to ubrecipients	E	Federal xpenditures
U.S. Department of Health and Human Services Passed through the Baltimore City Health Department: HIV Emergency Relief Project Grants	93.914	H89HA00017	\$ 13,890,494	\$	14,560,550

The accompanying notes are an integral part of this schedule.

Notes to the Schedule of Expenditures of Federal Awards December 31, 2018

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

All Federal grant operations of Associated Black Charities, Inc. (the Organization) are included in the scope of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the Single Audit) for the year ended December 31, 2018. The Single Audit was performed in accordance with the provisions of the OMB Compliance Supplement (the Compliance Supplement). Compliance testing of all requirements, as described in the Compliance Supplement, was performed for the major grant program noted below. The programs on the schedule of expenditures of Federal awards represent all Federal award programs for fiscal year 2018 cash or non-cash expenditure activities. For our single audit testing, we tested Federal award programs to ensure coverage of at least 20% of Federally granted funds. Our actual coverage was 100%.

Expenditures reported on the schedule of expenditures of Federal awards (the Schedule) are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the Uniform Guidance), wherein certain types of expenditures are not allowable or are limited as to reimbursement. Management has elected not to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

Major Program	Federal CFDA Number	E	Federal Expenditures		
U.S. Department of Health and Human Services Passed through the Baltimore City Health Department: HIV Emergency Relief Project Grants	93.914	\$	14,560,550		

2. BASIS OF PRESENTATION

The accompanying Schedule includes the Federal award activity of the Organization under programs of the Federal government for the year ended December 31, 2018. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

Schedule of Findings and Questioned Costs For the Year Ended December 31, 2018

Section I – Summary of Independent Public Accountants' Results

Financial Statements

Type of Independent Public Accountants' Report issued	Unmodified
Internal control over financial reporting:	
Material weakness(es) identified?	No
Significant deficiency(ies) identified?	None Reported
Noncompliance material to the financial statements noted?	No
Federal Awards	
Internal control over major programs:	
Material weakness(es) identified?	No
Significant deficiency(ies) identified?	None Reported
Type of Independent Public Accountants' Report issued on compliance for major programs	Unmodified
Audit finding disclosed that are required to be reported in accordance with the Uniform Guidance?	No

Identification of Major Program:

Major Program	Federal CFDA Number	Federal Expenditures		
U.S. Department of Health and Human Services Passed through the Baltimore City Health Department: HIV Emergency Relief Project Grants	93.914	\$	14,560,550	
Threshold for distinguishing between Type A and B programs		\$	750,000	
Did the Organization qualify as a low risk auditee?			Yes	

Schedule of Current Year Findings and Questioned Costs For the Year Ended December 31, 2018

Section II – Financial Statement Findings

None noted.

Section III – Federal Award Findings

None noted.

Schedule of Prior Year Findings and Questioned Costs For the Year Ended December 31, 2018

There were no findings noted in the December 31, 2017 single audit report.
